## Your Participation Supports

Since 1928 the Kiwanis Club of Monroe has been making a difference in our community. Our over 90-year history has included helping to start the Evergreen State Fair and the Sky Valley Food Bank among many other projects.

Today, our focus is on supporting programs that help kids in our community. When you sponsor our Golf Classic, you are helping us...

- Empower community service-minded high-school aged students in our Key Club at Monroe High School
- Give scholarships to exceptional graduating Key Club seniors
- Save lives of babies around the world thru ELIMINATE – Kiwanis and UNICEF's international effort to eliminate maternal and neonatal tetanus
- Partner with the Monroe Boys & Girls Club to support scholarships for before-and-after school care and sports programs
- Partner with Take the Next Step to provide flu vaccines to the most vulnerable members of our community and snacks at their Kid's Club after school program
- Partner with the Sky Valley Food Bank to support their Weekend Food Backpack program and Holiday Toy Shopping Event
- Provide Friday dinners for families staying at Matthew House
- Provide monthly dinners for women living in the Monroe Gospel Women's Mission

These are just a few examples of ways we have served our community in the last year. With your support we can continue and even expand our support.
